

22 February 2023

Dear Tunstall Family,

Your MCH appointment will be held at a new location from 24 April 2023.

We're expanding the Tunstall Square Kindergarten and improving Maternal Child Health Centre next door. Due to construction-related disruptions, we don't think this is the best environment to meet with you and your child.

To ensure you and your family feel comfortable when visiting us, from 24 April 2023 to December 2023 your appointment(s) will be held in one of our other Maternal Child Health Centres (MCH) in Manningham.

What improvements will be made to the Tunstall site?

An extra program room is being added to the Kindergarten to provide for expanded enrolments. The upgrade involves major building works at the site.

The MCH area will also be upgraded with a new pedestrian entry, car park works and landscaping improvements to the courtyard.

How will this impact me?

From 24 April 2023 all new and existing appointments will be rescheduled to one of our other MCH Centres in Manningham. If you have an existing appointment during this time, you will receive a SMS reminder with the updated MCH centre and address that you are to attend.

Please be reassured that your appointment will not be cancelled and that our MCH staff will continue to provide support to you at this time.

If you have any questions about these changes, please call **9840 9188** to speak to a staff member from the Maternal and Child Health team.

Yours sincerely,

Susie Houston
Coordinator Maternal and Child Health Nurse.
