

Addendum to Questions Taken on Notice**17 WRITTEN QUESTIONS FROM THE PUBLIC****17.1 B Benia - Lower Templestowe**

- Q1 As the last floods in December 2016 had no effect on my property, I had no flooding whatsoever and I want to know if my property has been taken off the flood plan mapping catchments.

The storm evident of 29 December 2016 was less than a one in a 100 year event. A detailed response has been added to Council's website's Frequently Asked Questions. www.yoursaymanningham.com.au/Amendment-C109.

No change is being proposed for this property.

17.2 F Bremner – Templestowe

- Q1 Has Council checked with the new drains installed approximately 12 – 15 years?

Flooding has never occurred since these drains were installed.

The modelling has included the known existing drainage at the time of modelling.

- Q2 When can we discuss the flood overlay situation?

If the Amendment progresses to an Independent Panel, all submitters will be given the opportunity to present their objections.
